

Technical drawing of a mechanical component, likely a filter or a specialized valve, showing a side view. The drawing includes the following dimensions and features:

- Overall Length:** 54.6 REF (Reference dimension).
- Threaded Section:** M12X1 (Metric thread, 12mm diameter, 1mm pitch).
- Outer Diameter:** $\phi 20$ (20mm diameter).
- Internal Features:** The component has a complex internal structure, including a central bore and a series of internal threads or grooves.
