

A technical diagram showing the female end view of a plug gage. It consists of a circular body with a central square hole. The hole has four rounded corners, each labeled with a number and a leader line: '1' for the top-right corner, '2' for the bottom-right corner, '3' for the top-left corner, and '4' for the bottom-left corner. The circular body is composed of several concentric rings, representing the gage's profile.
